Dear Parent or Guardian of:

We are excited to invite your Young Scholar to attend Edina’s 2013 Summer Day Camp! Details are as follows:

WHAT: Edina’s 2013 Young Scholar Summer Day Camp
WHEN: Monday-Thursday, June 10 - 13, 2013
TIME: 9:00 AM to 3:00 PM
WHERE: Highlands Elementary School
5505 Doncaster Way, Edina, MN 55436
COST: Summer Day Camp is partially funded by the State Integration budget. Donations are encouraged and accepted!

"Oh The Places We Will Go!"

This year’s camp focus is “Oh The Places We Will Go”, which centers around transportation in our world. Through engaging activities, Young Scholars will investigate topics in the fields of science, technology, engineering and math. Licensed teachers and other specialists will inspire students to develop design skills – the basis of many exciting careers in the 21st century! We will also be embarking on at least one field trip to enhance our Young Scholar Day Camp experience!

The Minnesota State Integration budget partially funds our YS Summer Day Camp Program. Parents who wish to contribute a donation towards our camp budget, or provide a scholarship opportunity for another Young Scholar student may do so via our Edina Education Fund. Please visit our website link to make your tax-deductable donation at: http://www.edinaedfund.com/index.html. Your giving is much appreciated!

A daily snack will be provided; however, your child will be responsible for bringing his/her own lunch each day. We will be offering transportation if parents cannot drop off children at Highlands Elementary. Edina Public School buses will pick up at several sites within district boundaries. Note your transportation needs on the registration form. Bus stop locations will be sent out in May.

To register for camp, complete the enclosed forms and return them to your child’s Young Scholars specialist no later than Friday, March 22nd, 2013. If your child cannot attend, please mark the “NO” box and return the form, as we need to have each registration returned. Thank you! Your speedy response is much appreciated. We hope to see your child at our Young Scholars Camp this year!

Sincerely,
